SCHOOL  
DISTRICT**

**Parents  
As  
Teachers**

**P.A.T. is an early learning  
program which supports a  
parent's role as their child's first  
and most influential teacher.**

## Our Philosophy

As a parent, you are your child's most important teacher and your home is their first learning environment. Children learn more during the early years of life than at any other time. How your child grows and learns during these early years will affect their later development and success in school.

The goal of Parents as Teachers is to partner and support parents during these crucial years of development. Our PAT program carefully cultivates and guides children's intellectual, language, fine and gross motor, and social-emotional development.

**Parents as Teachers, along with the Brentwood School district, strives to promote a lifelong love of learning.**

## Join our program and enjoy a variety of free activities...

### Personal Visits

*Meet in your home or at Brentwood Early Childhood Center with one of our certified Parent Educators.*

#### Personal Visits provide:

- Handouts and information on what to look for and expect as your child grows and develops .
- An occasion to discuss specific questions about your child's development.
- Ideas on educational, age-appropriate activities for your child.
- Connections to community resources.

### Group Connections

*Group Connections provide opportunities for parent/child activities and guest speakers.*

#### Group Connections provide:

- An opportunity to connect parents to experts and gain new insights into their child's development and behavior.
- A chance to learn more about topics of common parenting interests and concerns.
- A time to interact with and share experiences with other PAT families.

### Screenings

*Screenings are opportunities to assess your child's health, hearing, vision and development.*

#### Screenings provide:

- Information on how your child is meeting developmental milestones.
- Ways to encourage developing skills.
- Connections to resources that are available for children not meeting their developmental milestones or who have health, hearing or vision concerns.
